

MATCH PLAY INVITATIONAL

WANT AN INVITE?

The top three players in the season point race are guaranteed prizes. Since these bowlers are guaranteed prizes, they can not receive an invite. The next 24 players in season points will be invited to the Match play Invitational. However, we will continue to fill spots if players in the top 24 are unable to attend. This means even players outside of the top 24 have a shot at getting an invite!

WHAT'S AT STAKE?

The most valuable and sought after prize, that's what. The one, the only.... exemptions. That is right, the winner and runner up of this prestigious event will both be receiving event exemptions. This means they will be seeded directly into the quarter finals of an event and they don't have to pay a dime! The runner up will receive 1 event exemption. The winner will receive 2 event exemptions! The next 6 bowlers will win cash prizes. All for a low \$30 entry fee!
