

# Season Point Races

All tournaments have prizefunds for each tournament, but where Strike Force Tour Arizona Handicap Tour (SFT AHT) differs is offering additional prize money only available to members and being paid out based on performance over multiple events. This element has quickly become the most popular part of our tournament club.

## How do I acquire points?

We have a very simple system to accumulate points. You can earn points based on participation and achievement.

### Participation Points

20pts - Bowling Any Non-Fun Event

50pts - Bowling True Amateur Tournament

### Achievement Points

1pt per \$1 won in main tournament prize fund.

This does not include progressive pot winnings.

Players do not receive pts based on what they win from the progressive pot.

## Player Of The Year Prizes

Our largest and most prestigious point race prize is for the overall player of the year.

This is where event exemptions are awarded. Event exemptions can be used to be "exempt" for any non-major event. While an exempt player doesn't get season points, they do seed directly into the quarter finals of that event. They don't even have to try and qualify. They don't have to pay an entry fee, are guaranteed an automatic check, and most importantly get a FREE opportunity to take home the large first place prizes. Since this is such a huge prize, and so many people are after it, we pay out the top 27 spots in the player of the year race. Full list of prizes are below.

1st Place - 20 Chosen Non-Major Event Exemptions

2nd Place - 6 Chosen Non-Major Event Exemptions

3rd Place - 4 Chosen Non-Major Event Exemptions

4th - 7th - 3 Round Bys and Invite to Match Play Invitational

8th - 11th - 2 Round Bys and Invite to Match Play Invitational

12th - 27th - Invite to Match Play Invitational

## Other Season Point Races

While the overall player of the year race is the big one, the same season points are also used to determine even more prizes. There are prizes for the top female, rookie and senior player of the year. Additionally, no player can win more than one player of the year race.

**Female Of The Year**    **Senior Of The Year**    **Rookie Of The Year**

Female, senior, and rookie of the year winners will win \$100 in SFT AHT credit, a dye-sub custom jersey, a free one year membership, a plaque and SFT AHT immortality.

## Quarterly Circuits

There are 4 seasonal circuits each calendar year that begin at the beginning of the year January 1st. The circuits are 3 months long and are called the winter, spring, summer and fall circuits. Players will compete for prizes during those time frames based on season points. The circuits will allow players that can't compete year round to still win great prizes through our season point system.
